## Our Message

*Your Gifts offer a new future locally and regionally in open space planning and land protection....*

## Glendora Community Conservancy

**Mission:** To promote the preservation of land and/or buildings for historic, educational, ecological, recreational, scenic or open space opportunities.

Nearly 300 acres have been acquired with grants and gifts to protect and preserve the Glendora Foothills – an urban wildlife sanctuary. Our Community involvement is providing environmental awareness, curriculum development, special projects for youth, Natural and Agricultural land protection plus more.

The Brodiaea Reserve, protecting its namesake endangered plant species, ranks second in size to the Santa Rosa Plateau's protected area. GCC owns and maintains this open space-preserved in perpetuity. Trails on Conservancy properties invite the Community during daylight hours to experience the peace and solitude of the land—it's history, natural resources and inspiration.

### Benefits of your contributions

*At the present, the greatest benefit of being a friend of the Conservancy, is the satisfaction of knowing that your support assists a dedicated group of volunteer citizens in their efforts to create lasting protection for the Glendora Foothills. Additional Benefits include newsletters, activities and project/programs information.*
